

# ROAR PROPHETIC & SPIRITUAL SHIFT

## WELCOME TO SESSION #2

### ARMED & DANGEROUS

A **SHIFT** in mindset and structure from maintaining people in a place of need to maturing them into purpose.

**Reformation** in the church looks like moving from a place where people only come to be helped to a place where they are healed, equipped, and sent out to help others. It restores God's original intent for the church, not just a place of care, but a place of **transformation and activation.**

*"Until we all reach unity in the faith and become mature, attaining to the whole measure of the fullness of Christ."*

**- Ephesians 4:13**

## **In practice, reformation looks like:**

- Teaching people to take responsibility for their spiritual growth
- Deliverance leads to discipleship, not dependency
- Every believer discovering and using their gifts
- Leaders equipping, not just carrying the people
- A culture of builders, not just receivers

In other words, reformation turns spectators into participants, patients into disciples, and members into ministers.
